

Whole School Assembly 24.5.22

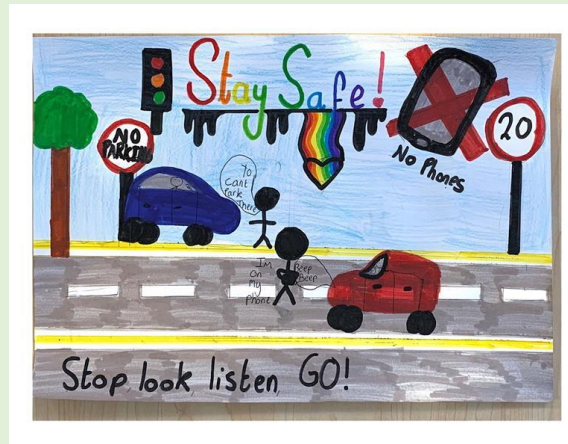

Green Travel to School Week Assembly 24.5.22

Our focus in our assembly today was
how to stay
safe when actively travelling to school.

Golden Lock Competition

Each lunchtime from today the JTA's will
place a golden lock on 3 bikes or scooters
where you will win a prize.

Competition Time!

- A road safety poster
- A Senses poem about your green journey
- A photo of something you see on your green journey.

**Due in after half
term holiday by 14th
June**

Green Travel Week

To follow on from Green Day, last Friday the JTA's would like families to try to walk, scoot and Park and Stride when travelling to school this week.

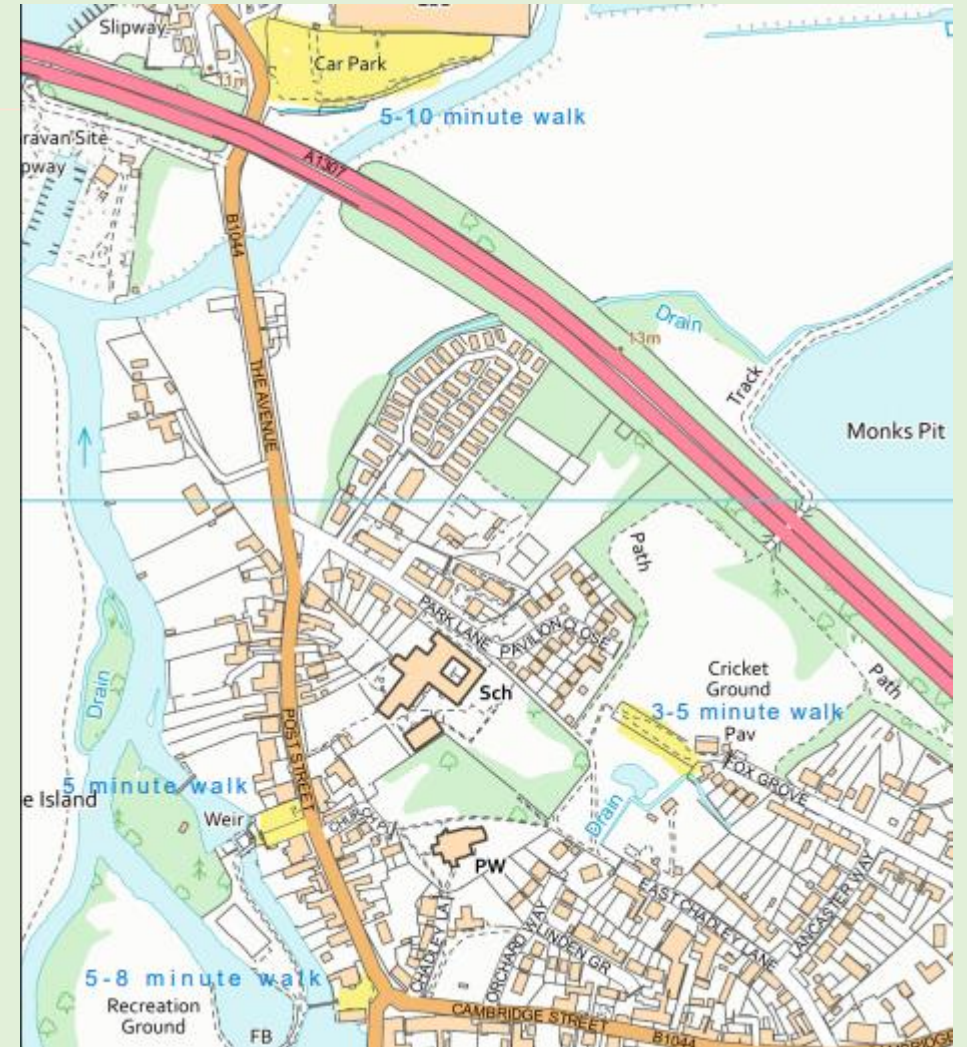

Park and Stride

Park and stride means to park up a few minutes away from school and to stride or walk from there, or even scoot.

Mrs Harman has produced this marvellous map to show us where we can park near by to walk or scoot the last few minutes.

Spike says stay safe!

Get yourself ready for the off!

Let's all learn the
GREEN CROSS CODE

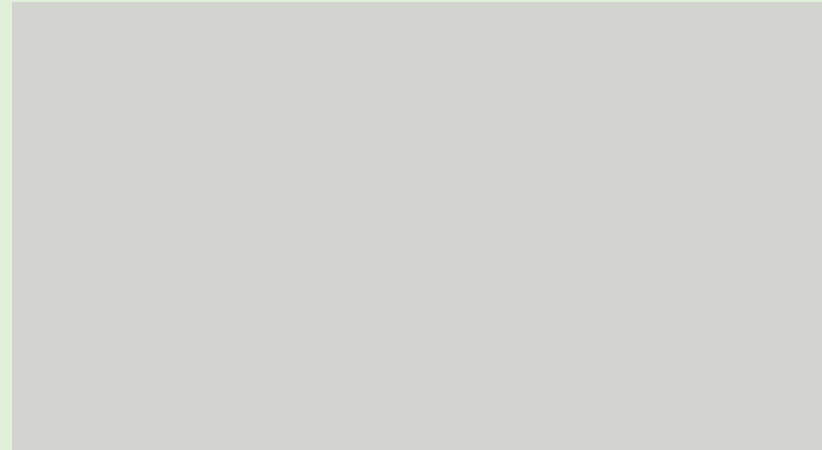

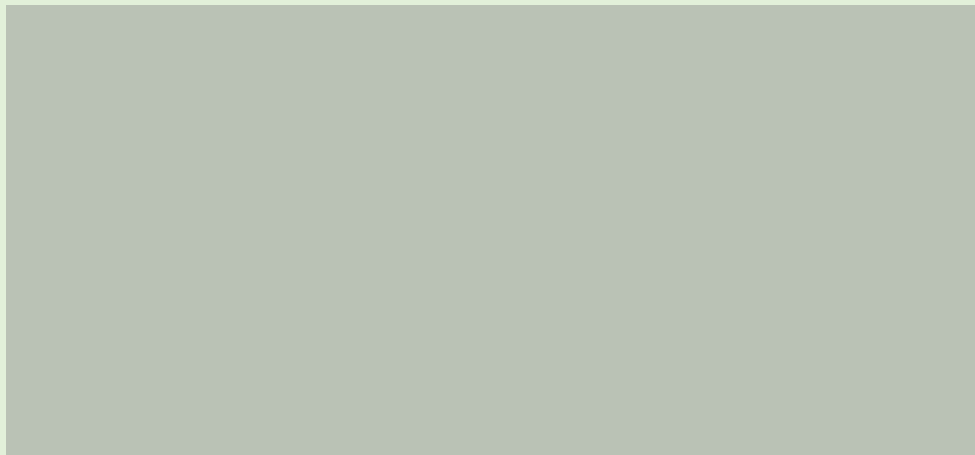

Active journeys are AMAZING!
You can talk to friends.
Good for the environment and good for
you!

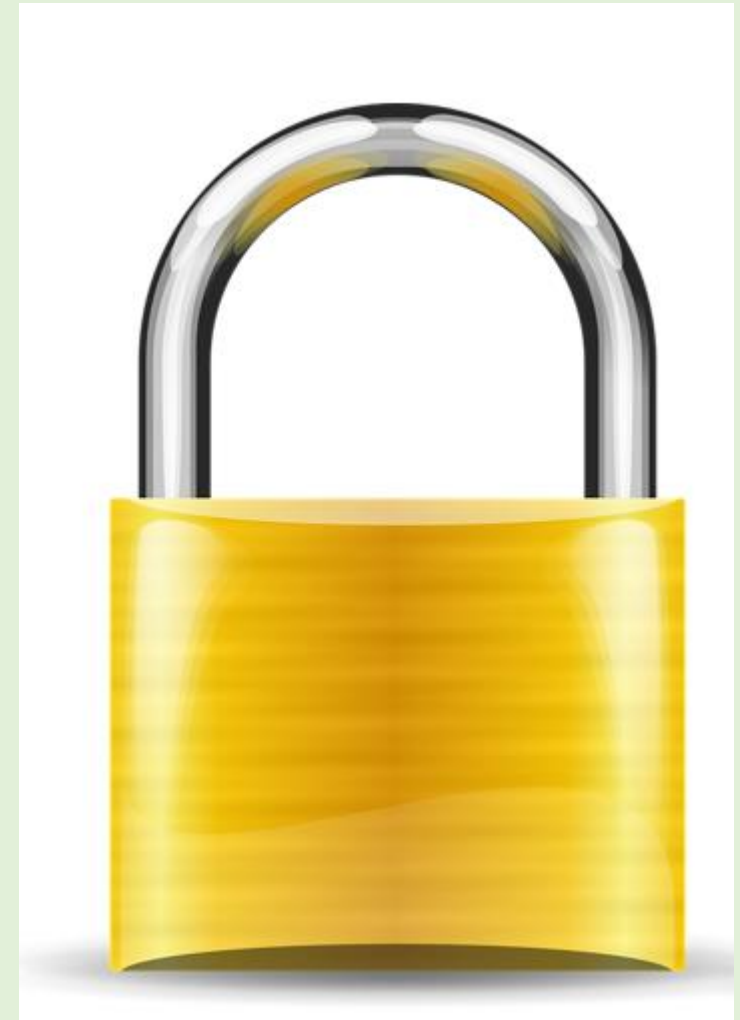

Class competition

In class we will record how we travel each day and the top 'green' classes can have juice and biscuits on Friday.

Competition

A Senses Poem of about
your green journey

On my way to school

I see the little lambs that launch themselves high into the air or lie with legs curled up

I hear the returning swifts that swoop and swirl on the wing as they call to each other

I smell the bacon from Bellman's whilst passers by sink their ketchup teeth into rolls

I touch the cool, metallic gate that tings with my fingertips

I taste my sweet cereal bar which is like a sticky, golden lump of sugar.
