

I have set up this appeal (and created a name and logo) to unite the children of Godmanchester through their schools. United Kids for Ukraine is not a registered charity but will be working with 'The Attic' to distribute the shoe boxes to Poland.

URGENT Shoe Box Appeal – Ukraine

We are collecting essential items to fill shoe boxes for Ukrainian refugee families in Poland. These families, many with small children, have nothing after fleeing their homes and are in desperate need of supplies.

Shoe boxes will be filled with a variety of items from the list below, but please also add any items you feel may be of use, that are not on the list.
